

Elmer Swim Club

Party Guidelines

Thank you for your interest in holding a party at Elmer Swim Club. So that you and your guests can enjoy a safe and friendly environment, we have established the following guidelines:

- To book a party, please complete the booking form which can be found on our website and send it along with your deposit of \$50.00 to Attention Manager. Checks should be made payable to Elmer Swim Club.
- All parties must be arranged two weeks in advance with the Manager or Assistant Manager.
- The fee scale is as follows: Up to and including 15 guests: \$ 95.00, 16 to 25 Guests: \$120.00
26-40 guests \$140.00, and 41-60 guests \$200.00
- These fees include set up / clean-up of tables, guest fees for non-members, and an extra lifeguard.
- Guests are defined as children, adults and siblings who are attending the party.
- A non-refundable deposit of \$50.00 is required with your booking form in order to reserve the date and time of your party. The deposit will be applied to the above fees.
- Since the weekends in June and July are our busiest, parties scheduled on weekends during those months can only be scheduled to begin at 12:00 noon and end no later than 3:00 p.m., or begin at 5:00 p.m and end no later than 8:00 pm.
- All parties are booked in three-hour increments. No party is to exceed the 3 hour limit. Upon the completion of the party, all regular member / guest rules will apply. Members must once again sign in and pay for their guest at this time.
- The maximum party size is 60 attendees.
- One week before the party date, we require two copies of the final list of party attendees. The list should indicate who is a member and who is a guest. The copies of the list should go to the Manager or Assistant Manager, with a check made out to "Elmer Swim Club" for the total amount of party fees.
- When your party begins, all attendees must go to the lifeguard to hear the rules of the pool and to complete a "deep-end swim test", if needed. Please note that young children using the baby pool must be supervised in the baby pool area by an adult, and must be wearing rubber/plastic pants. "Swim diapers" are not sufficient protection.
- As the host of the party, you are responsible for the attendees' behavior. Anyone not following the rules may be asked to leave.
- After your party is over, please make sure to clean up the area you used.
